Designed to eliminate any damage to your shirt or clothing and to attach to almost anywhere, the magnetic fitting is the quick and easy fitting for your badge. Warning, magnetic fittings should not be used if the wearer has any sensitive medical devices.

Pin Fitting

Durable metal pin contained within a plastic jacket set into the badge via sonic welding. Complimentary with all badge purchases the pin fitting is the simple choice.

Testimonials

“My name badges from NBI are good quality and very professional looking. Their website is easy to use and their communication was excellent, ensuring I met my tight deadline. I was worried about ordering over the Internet without seeing samples but will be using and recommending NBI for all future badge requirements.”

Tim Brown - Philips Healthcare UK

“After placing an order online and being slightly nervous about the design process and what it would look like in reality, I was delighted at how easy the service was to use and how it looked exactly like the badges that were produced.

We received the badges in good time, they are produced very professionally and now look fantastic on the suit jackets of our staff.

A big thanks to all the team.”

Sarah Warren - Property Horizons Group Ltd

“I received the badges this morning and wanted to thank you for the brilliant service your company has provided. The quality of the badges is excellent and I will definitely be recommending Name Badges International to others. It is so refreshing to finally encounter polite, helpful and efficient customer service and I would like to thank you all once again for such a professional service.”

Victoria Ferguson

“Just a quick note to say how pleased we are with our new name badges. Great quality, speedy delivery and super prices. We spent a great deal of time searching for name badges and were so disappointed with "set-up" fees, minimum order charges etc... that we were close to giving up. Then we found your website!

Thanks again. We will be back to order some more soon.”

Tom Thompson - Birmingham Parish Church
